Dolphin

Cordless Innovation. Professional Results.

The Dolphin Wave **LIBERTY 600** takes commercial pool cleaning to the next level - engineered for aquatic centres, hotels, and facilities that demand sparkling water every day. With a 4.5-hour runtime, it powers through floors, walls, steps, and ledges for spotless results swimmers can trust. ECO Mode delivers up to two weeks of scheduled cleans on one charge, while the Maytronics ONE™ app gives you remote control, cycle scheduling, and tailored programs. With Click-Up™ retrieval, cordless safety, and unmatched scrubbing power, the **Wave LIBERTY 600** keeps your pool pristine and operations effortless and helps staff focus on what matters most - guests and poolside service.

The Dolphin WAVE LIBERTY Difference

Advanced Eco Mode

Enjoy up to two weeks of cleaning on a single charge with multiple scheduling options via the app.

Jet Powered Steps Cleaning

Designed to provide complete pool coverage, including pool steps and shallow sun ledges.

Effortless Retrieval

Easy to handle with custom parking and Click-Up™ – just shake the Clicker and the robot climbs up to you or pauses at any time.

Maytronics One™ App Control

Customise cleaning programs, troubleshoot issues intuitively, streamline support, and more.
