# DOLPHIN™ S 1000

S Line

**Where proven reliability meets next-gen convenience.**

The **Dolphin S 1000** reaches every part of your pool, including shallow areas, steps, and sun-ledges as shallow as 30 cm - so even the most visible spots stay spotless.

With Maze navigation and fine filtration the **S1000** is the reliable way to keep your pool spotless all year round.

## The Dolphin S 1000 Difference

### Sun Ledge Cleaning

Reaches shallow areas and ledges as shallow as 30 cm.

### Steps Jet Cleaning

Powerful jets loosen debris from hard-to-reach steps for complete debris removal.

### Strong Scrubbing & Suction

Corded efficiency for expanded pool coverage with reliable performance.

### Smart Navigation

Maze cleaning scans and maps the pool for precise, efficient coverage.
