

DOLPHIN™ S 2000

PROVEN CLEAN. MODERN TOUCH.

Where Proven Reliability Meets Next-Gen Convenience.

The **Dolphin S 2000** delivers reliable, all-day performance for pools up to 12 metres. Covering every inch of your pool, including shallow areas, steps and sun-ledges as low as 30 cm - even the most visible spots stay spotless. With maze navigation, plus interchangeable fine and ultra-fine filtration, the **S 2000** easily adapts to your pool's needs, keeping it pristine all year round.

The Dolphin S 2000 Difference

Sun Ledge Cleaning

Reaches shallow areas and ledges as low as 30 cm.

Step Jet Cleaning

Powerful jets loosen debris from hard-to-reach steps for complete debris removal.

Smart Navigation

Maze cleaning scans and maps the pool for precise, efficient coverage.

Adaptable Filtration System

Switch between fine and ultra-fine filtration panels to adapt to changing seasonal needs.
