

# DOLPHIN™ S 3000

PROVEN CLEAN. MODERN TOUCH.

## Where proven reliability meets next-gen convenience.

The **Dolphin S 3000** delivers powerful, all-day performance for pools up to 15 metres. It covers every inch of your pool, including floors, walls, waterline, steps, and sun ledges as shallow as 30 cm. Equipped with maze navigation, multi-layer filtration and two extra ultra-fine filters, the **S 3000** captures even the smallest debris. With an included caddy, caddy cover, and pickup mode, cleaning your pool has never been easier.

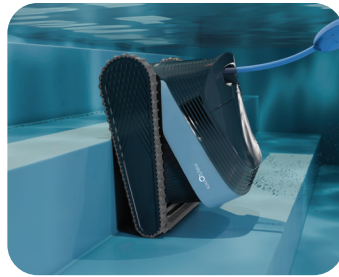

### The Dolphin S 3000 Difference

#### Sun Ledge Cleaning

Reaches shallow areas and ledges as shallow as 30 cm.

#### Step Jet Cleaning

Powerful jets loosen debris from hard-to-reach steps for complete debris removal.

#### Pick Up Mode

Guides the robot to the edge of the pool for easy retrieval.

#### Caddy & Cover Included

Easy transport and protected storage with included caddy and cover.
