

WAVE 150

Product Specifications

Cycle time	4, 5, 6 hours
Cable	43m
Cleaning Mode	Various
Filter Type	Top load, Fine basket
Brushes	2 Active
Remote control	Setup of parameters and cleaning programmes
Weight	25kg
Surfaces cleaned	Floor
Motor unit voltage	27 VDC
Caddy	Included
Warranty	24 months or 3000 hours on non-wearable parts

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability. In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe, and relaxing pool.

Exceptional Experience

WAVE 150

WAVE - THE TRUSTED NAME FOR COMMERCIAL POOL CLEANERS

Heavy-duty, professional cleaner
designed for pools up to 50m in length

The best value for money in commercial pool cleaning

Wave 150

Get the best value for your pool cleaning budget while gaining uncompromising professional cleaning performance, with the new Wave 150 provides a great value for your facility while providing some of the newest Wave commercial technology.

Easy-to-use and easy-to-clean; the Wave 150 efficiently and effectively cleans large commercial pools up to 50 metres in length, regardless of shape or type, and provides a single-robot solution for multiple pool facilities.

With fast and efficient operation, you can keep your pools open for business while minimizing cleaning downtime.

Wave 150 Key Features & Advantages

- **Total pool cleaning**
Unique gyroscopic system delivers accurate and effective scanning for systematic cleaning along the entire pool. CleverClean™ scanning system ensures complete pool coverage and cleaning.
- **Gyroscopic navigation system inside**
Gyro inside maintain stable navigation and ensure maximum cleaning efficiency
- **Maximum hygiene**
Active brushing efficiently removes algae and bacteria.
- **Advanced, high-capacity filtration**
Dual-level filtration system leaves the water clear and free of hair, dust, insects and other debris.
- **User-friendly**
Fully automated, plug & play operation, with optional parameters to suit every pool, ensures easy use and maintenance.
